

Dutch Scout and Guide Fellowship hosting the 29th WESR Gathering

Announcement of the 29th WESR Gathering in Bergeijk, the Netherlands.

The Dutch Scout and Guide Fellowship (DSGF) is organizing the 29th WESR Gathering 2025 (Western Europe sub-regional Gathering). 'Let's get together' with other Fellowships in Bergeijk near Valkenswaard in County Noord-Brabant, Netherlands.

Date: 10-14 October 2025

Theme: 'Doing after learning'

Location: Hygge, group accommodation in Bergeijk

Language during the Gathering: English

Also come to this **WESR Gathering**, where we will be together with Fellowships from other countries. Together we'll talk about Scouting, former scouts, ISGF projects and those of you or your Fellowship. But it is also going out with each other, doing things on your own or together, walking in the area and more.

The theme is '**doing after learning**', doing something after you've learned something. Seems simple, but there will be some challenges.

For this WESR Gathering we have found a beautiful accommodation in rural Bergeijk with a mini campsite annex. It's not a hotel, but it does have a luxurious appearance with charming rooms en suite and communal areas. If you wish, you can stay at the mini campsite with your tent/caravan/camper.

During the Gathering we will be self-supporting, we will have our own kitchen team for the food, but we most certainly ask for helping hands every now and then.

More information will follow in a newsletter including details about, registration, fee, payment, accommodation, and excursions. You will also find information about the Gathering on our Facebook page.

Are you there at the WESR Gathering 2025? On behalf of DSGF, most welcome in advance!

Marisca Kamperman
Chair DSGF

Willy Limbosch
International Secretary DSGF
